What is SeamlessHR?

A platform used to maximize people's end-to-end HR technology for hiring, training, and managing staff. It performs the core HR functions for a company, rather seamlessly.

Some of the biggest companies around the world use seamless HR (MTN, FCMB, STERLING, AXA)

Dashboard of Seamlesshr

Fig 1: Image showing the SeamlessHR dashboard

Fig 2: Image showing the SeamlessHR dashboard Cont.

Core components/HR functions:

- I. **Time management:** Handles attendance, tasks and projects. Tracks the number of hours worked, number of absences, number of late and punctual resumption.

Figure 3: Image showing Time Management Dashboard

Ia) **Attendance:** shows attendance records, schedule details, and requests.

The attendance summary also shows the number of penalties received, and can be filtered by weeks and months.

Figure 4: Image showing Attendance Records

The schedule can be likened to the google calendar.

Figure 5: Image showing Scheduling

The request tab is used to lay your request for either lateness, absence or overtime.

Figure 6: Image showing Request Creation

You would also have to give reasons for that request.

Figure 7: Image showing Request Creation Process

1b) **Tasks:** helps in tasks management.
Shows a report on the tasks

Figure 8: Image showing Tasks
To create a new task.

Figure 9: Image showing The Tasks Sheets Creation

Figure 10: Image showing The Tasks Sheets Creation Cont.

Ic) Projects: It is a view only screen to manage the projects.

Figure 11: Image showing The Tasks Sheets Creation Cont.

2. **Making Requests:** can either be leave, redeployment, grievance, or exit.

Figure 12: Image showing The Making Requests Process

2a) Leave

Applying for a leave

Figure 12: Image showing Applying for Leave

The form is titled 'APPLY FOR LEAVE' with a 'Back' button. It instructs the user to 'Fill the fields below to request leave.' The form contains the following sections:

- Leave Policy**: A dropdown menu showing 'Compassionate Leave'. Below it, a note states: 'This is leave based on bereavement of a family member, as in policy'.
- *Start Date**: A text input field.
- *Duration**: A text input field with '10' entered, and a 'Days' button.
- Resumption Date**: A text input field.
- Reason ***: A text area with a 'Pencil' icon for editing.
- Proof ***: A file upload section with a 'Choose file' button and the text 'No file chosen'.
- CHOOSE RELIEF OFFICER**: A dropdown menu with '-Select-'.
- Apply**: A large orange button at the bottom.

Figure 13: Image showing Leave Application Process

2b) Redeployment

Figure 14: Image showing Application for Deployment

I tried applying for redeployment... didn't work.

2c) Reporting grievances

This is how to report a grievance.

Reporting a New Grievance

What is this grievance about?*

Select an offence

Add employee(s) involved

Search name of employee

Kindly select employees involved. If not, it means this grievance does not involve any employee.

Description*

Attach Files

Drag files here or click to upload
Formats: png, jpg, jpeg, doc, docx, pdf, xls,xlsx, csv
Size Limit: 3MB | Max No. of Files: 5

Date of Incident*
Time of Incident (hh-mm-ss)

Select date

00 00 00

Who should the grievance details be sent to?*

☒ Send to disciplinary admins
☐ Send to HR Admin

Submit

Figure 16: Image showing list of Possible Offences

If you want to report anonymously, you can whistleblow...

The image shows a modal window titled "Blow a whistle" with a close button (X) in the top right corner. The form contains three sections: "What is this whistle about?" with a text input field labeled "Enter whistle title"; "Description" with a larger text area labeled "Enter full description about the whistle"; and "Select whistle type?" with a dropdown menu labeled "Select whistle type".

Figure 17: Image showing how to Blow a Whistle

The image shows a "Reporting a New Grievance" form. It includes a dropdown for "What is this grievance about?" with the option "Select an offence". Below this is a section "Add employee(s) involved" with a search bar labeled "Search name of employee" and a blue informational box stating: "Kindly select employees involved. If not, it means this grievance does not involve any employee." The "Description" field is a large text area. At the bottom, there is a file upload section with a cloud icon and text: "Drag files here or click to upload", "Formats: png, jpeg, doc, docx, pdf, xls,xlsx, csv", "Size Limit: 3MB | Max No. of Files: 5". To the right of the file upload is a "Time of Incident (hh-mm-ss)" field with three dropdown menus for hours, minutes, and seconds, and a close button (X).
